RESOLUTION NO. 2016-02 2016

RESOLUTION OF THE TOWN OF SUGAR CREEK TOWN BOARD OF SUPERVISORS
AUTHORIZING THE TOWN OF SUGAR CREEK TO ISSUE EROSION CONTROL PERMITS FOR
PROJECTS LOCATED OUTSIDE OF THE SHORELAND/FLOODPLAIN ZONE DISTRICTS

WHEREAS, Walworth County currently issues permits for erosion control for projects located outside of the Shoreland/Floodplain Zone Districts; and

WHEREAS, the Town of Sugar Creek has a Building Inspector qualified to issue permits for erosion control for projects located outside of the Shoreland/Floodplain Zone Districts; and

WHEREAS, the Town Board has been advised by its Building Inspector that he is fully capable and competent to conduct inspections and issue permits for erosion control for projects located outside of the Shoreland/Floodplain Zone Districts; and

WHEREAS, the Town Board of the Town of Sugar Creek wishes to continue to use the standard set forth in the Walworth County Code of Ordinances for issuing permits for erosion control for projects located outside of the Shoreland/Floodplain Zone Districts; and

WHEREAS, the Town Board has reviewed the duties and obligations for issuing permits for erosion control for projects located outside of the Shoreland/Floodplain Zone Districts;

NOW, THEREFORE BE IT HEREBY RESOLVED that the Town of Sugar Creek Building Inspector shall have authority to issue permits and conduct inspections for erosion control for all projects located outside of the Shoreland/Floodplain Zone Districts, including 1 & 2 family projects, multi-family and commercial projects. The applicants shall pay the fees for the erosion control permits as set forth in the Town Fee Schedule. The Town of Sugar Creek is not assuming responsibility for storm water management permitting.

Adopted on the 18th day of Aug ²⁰¹⁶ July, 2016.
